Gary, In light of the shutdown and the ACOE report unavailability is it possible that you could call me or Stephen Ellis about an extension to the 10/11 comment deadline ?

Thanks,

Gary,  
In light of the fact that the ACOE TCRA report will not be available for us to review as part of our FS review have you given any thought to extending the 10/11/13 comment deadline.

Thanks,  
Bob

Folks,

The draft Feasibility Study for San Jacinto was just posted. I would appreciate you review/comment on this by 10/11/2013 so we can discuss any remaining issues prior to sending the final comments to the PRP group.
